Contract 18-3 RITBA Parking Lot Expansion

RITBA plans to expand the parking area at its administration building and nearby maintenance garage area at the headquarters in Jamestown.

Work includes the creation of 5 new parking stalls in the existing parking lot of the administration building as well as expansion of the parking lot and equipment storage area near the maintenance building. The work in the vicinity of the maintenance building includes 18 new paved parking stalls, 15 new gravel parking stalls, a paved 20' access roadway as well as associated storm water management and landscape improvements.

Plans will be available on June 20, 2018 and can be obtained via email request to Marianne Durgin, mdurgin@ritba.org.

Non-Mandatory Pre-Bid Meeting: June 26, 2018 @ 10:00AM at RITBA Administration Building, 1 East Shore Rd., Jamestown, RI 02835

Bids Due July 10, 2018 @ 4PM

Award on July 11, 2018
